LETTER FROM THE CHAIRS

Since 2009, Quo Vadis conferences have been providing leadership, mentorship, and networking opportunities for students and young professionals within the Polish Diaspora in Canada, the United States of America, Europe and Australia. The first Quo Vadis conference started the journey of bridging the gap between the younger and the older generation of Polonia in Canada. We are very proud of how far our conferences have come and how much our alumni network has grown.

As a result of our collective efforts, seven Quo Vadis conferences have been held in Canada, two in the United States and two in Australia. With eleven successful conferences over the course of ten years and hundreds of engaged attendees, Quo Vadis is well on its way to becoming a phenomenon within our unique Polish Diaspora, setting an example for similar diaspora communities.

"Quo Vadis" is Latin for "where are you going?" and our conferences have worked on providing the tools and bridges our community needs in order to thrive and grow on a local and global level. We have demonstrated that the true strength of our Polish community lies in our ability to come together around the values that we all cherish: **heritage, leadership and unity**. These values are embodied in our existing Polonia institutions. It is imperative that we pass these values on to future generations.

Moreover, youth leadership has been recognized by both the private and public sectors as a fundamental component to ensure the growth and sustainability of any organization or institution. For long-term success, organizations must be able to establish a base of young leaders able to meet the challenges of tomorrow. Quo Vadis conferences aim to produce such leaders in the Polish community at large by cultivating youth leadership while encouraging multi-cultural preservation and enhancement of the Polish culture worldwide.

LETTER (con't)

This tenth anniversary conference is being organized by Quo Vadis Conferences Canada. The upcoming conference titled “Quo Vadis X: Leaders in Action” will take place in Toronto, Canada from September 20-22, 2019. Our conference will profile a number of nationally and internationally distinguished guest speakers, each of whom will be addressing the gathered 150 delegates of young leaders.

Quo Vadis is a celebration of what we have achieved together as the Polish Diaspora and what we are determined to achieve in upcoming years as representatives of the Polish community in North America. We invite you to join us on this historic journey as an official sponsor of Quo Vadis X.

Kind regards, serdecznie pozdrawiamy,

Ania Barycka & Joanna Marks
